

EBJIC 2025

Egyptian Bone & Joint Infection Course

Under Patronage of

Course President

Prof. Gamal Hosny

President of Egyptian Medical Association

Prof. Adel Adawy

Dean of Faculty of Medicine
Benha University

Prof. Mohamed Elashhab

Professor of
Orthopedic Surgery

Prof. Mohamed Osama Hegazy

Course Convenor and
Director

Prof. Ahmed Elsheikh

17 - 18 - 19 December 2025

**Triumph Plaza Hotel
Cairo - Egypt**

EBJIC 2025

Egyptian Bone & Joint Infection Course

ORGANISING COMMITTEE

Associate Professor of Orthopaedic Surgery

Prof. Sherif El Traigy

Associate Professor of Orthopaedic Surgery

Prof. Ahmed Elsheikh

Associate Professor of Orthopaedic Surgery

Prof. Mahmoud Abouzied

17 - 18 - 19 December 2025

Triumph Plaza Hotel
Cairo - Egypt

Day 1:

Fracture-related infection (FRI)

Registration

Introduction (Why are we here?)

Session (1):

Prevent & Understand

- New advances in the management of fracture-related infection
- Fracture-related infection (two-stage treatment)
- Knocking on ajar doors: Orthopaedic Infection Challenges
- Biofilm: Life cycle and impact on BJI
- Antibiotic Prophylaxis in Orthopaedic Surgery

Session (2):

Diagnose & Debride

- FRI consensus of diagnosis
- Radiological tools in FRI diagnosis
- Golden rules of Microbiology in FRI
- Soft tissue consideration and options in Fracture-related infection
- Early postoperative infection: How to manage
- Surgical Debridement
- Case-Based Discussion

Case-Based Discussion (Participants)

Session (3):

Plan & Reconstruct

- Use of internal fixation after FRI
- Induced membrane technique
- Longitudinal bone transport
- Vascularized fibular graft
- Bone Builders & Bug Killers: The Dual Power of Calcium Sulphate Carriers
- Navigating Culture Results in the Era of Resistance
- Ortho-ID: The Essential Partnership

Case-Based Discussion by the Faculty

Practical Workshops

Day 2:

- Pediatric Bone & Joint Infection
- Infected Charcot Arthropathy

Day (1) Rewind

Session (1):

Pediatric Bone & Joint Infection

- Septic Joint (SA)
- Acute Osteomyelitis (OM)
- Chronic Osteomyelitis (COM)
- Subacute Osteomyelitis
- Bone and Joint Infection in Neonates (don't miss)
- Neglected Septic Epiphysitis (NSE)

Case-Based Discussion by the faculty

Session (2):

Infected Charcot Arthropathy (Understand)

- Practice Essentials & Epidemiology
- The infected charcot ankle: a limb-threatening crisis
- Risk factors & the portals of infection
- Imaging studies of infected Charcot ankle
- Multidisciplinary approach and Laboratory workup
- Antibiotic management, Immobilization and offloading

Session (3):

Infected Charcot Arthropathy (Management)

- Pre-surgical requirements
- Surgical debridement
- Stabilization of the limb
- Soft tissue reconstruction in Infected Charcot
- Recurrence of infection
- Nonunion
- Amputation is not a failure

Case-Based Discussion by the faculty

Practical Workshops

Day 3:

Periprosthetic Joint Infection

Day (2) Rewind

Session (1):

Periprosthetic Joint Infection (PJI): The Problem

- PJI: Do we have a problem?
- ICM: What happened in Istanbul?
- Prevention of PJI/SSI: Strategies that work!
- Microbiological and laboratory Diagnosis
- Osteomyelitis: Bane of our existence

International Consensus Meeting 2025 Questions and Discussion

- ICM questions and discussions
- Predisposing factors
- Diagnosis & Clinical picture
- Single stage
- 2 stage

Session (2):

PJI: The Treatment

- Antimicrobial Therapy: How do we choose and for how long?
- Do local antimicrobials work?
- Can we fight infection while building bone? (Symposium)
- Spacers (Symposium)
- Does DAIR work?
- One stage exchange: Where do we stand?
- Two stage exchange: Still the Gold Standard?
- Case Presentations

Session (3):

PJI: Complex Cases and Questions

- Surgical Treatment of PJI: Polymicrobial
- Surgical Treatment of Fungal PJI
- Surgical Treatment of Multiresistant PJI
- PJI: What is on the Horizon?
- Questions from Audience and COMPLEX SITUATIONS

EBJIC 2025

Egyptian Bone & Joint Infection Course

Fracture-Related Infection (FRI)

Day (1)
Wednesday
17 December 2025

08:00 - 08:15	Registration & Introduction Moderators: Gamal Hosny, Alaa El-Zoheiry	
Time	Topic	Speaker
08:15 - 08:30	Why are we here?	Ahmed Elsheikh Sherif El Traigy Mahmoud Abozied
08:30 - 08:45	New advances in the management of fracture-related infection	Gamal Hosny
08:45 - 09:00	Fracture-related infection (two-stage treatment)	Alaa El-Zoheiry
Session 1: Prevent & Understand Moderators: Osama Farouk, Ahmed Elsheikh		
Time	Topic	Speaker
09:00 - 09:20	Knocking on ajar doors: Orthopaedic Infection Challenges	Rehab El-Sokkary Rehab Tash (Microbiology)
09:20 - 09:35	Biofilm: Life cycle and impact on BJI	Shereen Elmasry (Microbiology)
09:35 - 09:50	Antibiotic Prophylaxis in Orthopaedic Surgery	Osama Farouk
09:50 - 10:00	Session 1 Q&A	
10:00 - 10:15	Coffee Break ☕	
Session 2: Diagnose & Debride Moderators: Mohamed Fadel, Amr Azzam, Khaled Emara		
Time	Topic	Speaker
10:15 - 10:30	FRI consensus of diagnosis	Mahmoud Badran
10:30 - 10:50	Radiological tools in FRI diagnosis	Nagui Abdelwahab (Radiology)
10:50 - 11:05	Golden rules of Microbiology in FRI	Mohamed Fadel
11:05 - 11:25	Soft tissue consideration and options in Fracture-related infection	Ahmed AbdelGawad Magdy AbdelMoktader (Plastic Surgery)
11:25 - 11:40	Early postoperative infection: How to manage	Khaled Emara
11:40 - 11:55	Surgical Debridement	Ahmed Elsheikh
11:55 - 12:05	Session 2 Q&A	

Case-Based Discussion (8 Participants) Moderator: Ahmed Elsheikh Panel: Alaa El-Zoheiry, Osama Farouk, Khaled Emara Ahmed AbdelGawad		
12:05–13:45		
13:45–14:00	Afternoon Refreshments 🍪	
Session 3: Plan & Reconstruct Moderators: Abdelsalam Eid, Mohamed Mostafa Kotb, Osman Abdellah		
Time	Topic	Speaker
14:00–14:10	Use of internal fixation after FRI	Amr Azzam
14:10–14:20	Induced membrane technique	Mohamed Lakkouk
14:20–14:30	Longitudinal bone transport	Osman Abdellah
14:30–14:40	Vascularized fibular graft	Mohamed Mostafa Kotb
14:40–14:50	Bone Builders & Bug Killers: The Dual Power of Calcium Sulphate Carriers (Symposium)	Ahmed Elsheikh
14:50–15:10	Case presentations by the Faculty (10 mins each)	Abdelsalam Eid & Hatem Kotb
15:10–15:20	Session 3 Q&A	
15:20–15:40	Navigating Culture Results in the Era of Resistance	Amr Medhat (Clinical Pharmacy)
15:40–16:00	Ortho-ID: The Essential Partnership	Mostafa Alfishawy (Infectious Diseases)
16:00–16:30	Case presentations by the Faculty (10 mins each)	Sameh Alsafty, Saad Gaballah, & Osam Metwally
Practical Workshops Yasser Elbatrawy, Ahmed Elsheikh, Sameh Alsafty, Saad Gaballah Osam Metwally, Hatem Kotb,		
16:30–17:20		
17:20–18:00	Closing Dinner	
18:00	Wrap up and Closure remarks	

EBJIC 2025

Egyptian Bone & Joint Infection Course

1- Pediatric Bone & Joint Infection 2- Diabetic Foot Infection

Day (2) Thursday

18 December 2025

Time	Topic	Speaker
08:00 - 08:30	Day 1 Rewind	Ahmed Elsheikh

Session 1: Pediatric Bone & Joint Infection

Moderators: Mohamed Osama Hegazy, Mohamed Hosny, Amin Abdelrazek

Time	Topic	Speaker
08:30-08:45	Septic Joint (SA)	Mohamed Osama Hegazy
08:45-09:00	Acute Osteomyelitis (OM)	Mohamed Khaled Hasan
09:00-09:15	Chronic Osteomyelitis (COM)	Khaled Zaghloul
09:15-09:30	Subacute Osteomyelitis	Nabil Moghazy
09:30-09:45	Bone and Joint Infection in Neonates (don't miss)	Amin Abdelrazek
09:45-10:00	Neglected Septic Epiphysitis (NSE)	Amr Azzam
10:00-10:20	Case presentations by the Faculty (10 min each)	Barakat El Alfy Ahmed Omran
10:20-10:30	Session 1 Q&A	
10:30-10:45	Coffee Break ☕	

Session 2: Infected Charcot Arthropathy (Understand & Diagnose)

Moderators: Ahmed Kholief, Hani El Mowafi, Hesham Al Ashry

Time	Topic	Speaker
10:45-11:00	local antibiotic delivery	Orth-house (Symposium)
11:00-11:15	Practice Essentials & Epidemiology	Mahmoud Abouzied
11:15-11:30	The infected charcot ankle: a limb-threatening crisis	Mohamed Mokhtar
11:30-11:50	Imaging studies of infected Charcot ankle	Khaled Matarawy (Radiology)
11:50-12:05	Multidisciplinary approach and Laboratory workup	Ahmed El Hawary
12:05-12:20	Antibiotic management, Immobilization and offloading	Mahmoud Abouzied
12:20-12:30	Session 2 Q&A	
12:30-13:00	Afternoon Refreshments ☕	

Session 3: Infected Charcot Arthropathy (Management)

Moderators: Mohamed Mokhtar, Amr Farouk, Ahmed Al Hawary

Time	Topic	Speaker
13:00-13:15	Pre-surgical requirements	Hesham Alashry
13:15-13:30	Surgical debridement	Ahmed Ikram
13:30-13:45	Stabilization of the limb	Hani El Mowafi
13:45-14:05	Soft tissue reconstruction in Infected Charcot	Ahmed Abdelgawad Magdy Abdelmuktader (Plastic surgery)
14:05-14:20	Recurrence of infection	Ahmed Samir
14:20-14:35	Nonunion	Ahmed Elsheikh
14:35-14:50	Amputation is not a failure	Amr Farouk
14:50-15:45	Case presentations by the Faculty	
15:45-16:00	Session 3 Q&A	
16:00-17:00	Practical Workshops All Faculty	
17:00-18:00	Closing Dinner	
18:00	Wrap up and Closure remarks	

EBJIC 2025 Egyptian Bone & Joint Infection Course

Prosthetic Joint Infection (PJI)

Day (3)
Friday
19 December 2025

08:00 - 08:30

Registration

Session 1a: Periprosthetic Joint Infection (PJI): The Problem

Moderators: Javad Parvizi, Ayman Ebeid

Time	Topic	Speaker
08:30-08:50	PJI: Do we have a problem?	Javad Parvizi
08:50-09:10	ICM: What happened in Istanbul?	Ayman Ebeid
09:10-09:25	Prevention of PJI/SSI: Strategies that work!	Sherif Khaled
09:25-09:40	Microbiological and laboratory Diagnosis	Mona Wassef
09:40-10:00	Osteomyelitis: Bane of our existence	Ahmed Elsheikh

10:00-10:15

Coffee Break ☕

Session 1b: International Consensus Meeting 2025 Questions and Discussion

Moderators: Javad Parvizi, Ayman Ebeid, Ibraheem Ganzoury, Wael Sameer, Sherif Eltreby

Time	Topic	Speaker
10:15-11:30	ICM questions and discussions	▪ Predisposing factors
		▪ Diagnosis & Clinical picture
		▪ Single stage
		▪ 2 stage
		Sherif Eltreby
		Ibraheem Ganzoury
		Ayman Ebeid
		Wael Sameer

11:30-12:00

Gomaa Prayers

Session 2a: PJI: The Treatment

Moderators: Akram Hammad, Hatem Bakr

Time	Topic	Speaker
12:30-12:45	Antimicrobial Therapy: How do we choose and for how long?	Akram Hammad
12:45-13:00	Do local antimicrobials work?	Sherif Eltreby
13:00-13:15	Can we fight infection while building bone? (Symposium)	Ayman Ebeid
13:15-13:30	Spacers (Symposium)	Wael Sameer
13:30-13:45	Does DAIR work?	Hatem Bakr
13:45-14:00	One stage exchange: Where do we stand?	Ibraheem Ganzoury
14:00-14:15	Two stage exchange: Still the Gold Standard?	Wael Sameer

Session 2b: PJI Cases

Moderators: Javad Parvizi, Abdallah Hammad, Ayman Ebeid, Ibraheem Ganzoury, Wael Sameer

Time	Topic	Speaker
14:15-15:30	Case Presentations	Javad Parvizi Abdallah Hammad Ayman Ebeid Ibraheem Ganzoury Wael Sameer

15:30-15:45

Afternoon Refreshments ☕

Session 3a: PJI: Complex

Moderators: Mohammed Awad, Mohamed Abdelnasser

Time	Topic	Speaker
15:45-15:55	Surgical Treatment of PJI: Polymicrobial	Ahmed Ebeid
15:55-16:05	Surgical Treatment of Fungal PJI	Mohammed Awad
16:05-16:15	Surgical Treatment of Multiresistant PJI	Mohamed Abdelnasser
16:15-16:25	PJI: What is on the Horizon?	Javad Parvizi

Session 3b: PJI: Complex Cases and Questions

Moderators: Javad Parvizi, Ayman Ebeid, Wael Sameer, Abdallah Hammad

Time	Topic	Speaker
16:25-17:10	Questions from Audience and COMPLEX SITUATIONS	Participants and Faculty

17:10-18:00

Closing Dinner

18:00

Wrap up and Closure remarks

EBJIC 2025

Egyptian Bone & Joint Infection Course

Prof. Mohamed Fadel
Professor of Orthopedic Surgery
Minia University.

Prof. Osama Farouk
Professor of Orthopedic Surgery
Assiut University.

Prof. Alaa El-Din El-Zoheiry
Professor of Orthopedic Surgery
Suez Canal University

Prof. Amr Azzam
-The National Institute of Neuromotor System
-AO Trauma Egypt Council CDC officer

Prof. Khaled Zaghloul
Associate Professor of Orthopedic surgery,
Mansoura University

Prof. Ahmed Omran
Consultant Pediatric Orthopedic Sureon,
The National Institute of Neuromotor System

EBJIC 2025

Egyptian Bone & Joint Infection Course

Hello Team,

Get ready for a deep dive into one of the most challenging topics in orthopaedic surgery!

We are preparing for an incredible 3-day journey together.

To help us get started—and to make sure you get your certificate at the end please follow these three steps:

- **Step 1: The Pre-Check.** Please fill out this short 5-minute questionnaire (<https://forms.office.com/r/RPAUxWbiC2>)
Tip: Make sure to type your name clearly! We will use this exact spelling for your certificate.
- **Step 2: The Daily Quiz.** We will have quizzes during each session. Your attendance at these quizzes is required to receive your certificate.
- **Step 3: The Wrap-Up.** After the course, we will repeat the survey to assess how much we've learned. I really appreciate your enthusiasm and support. Let's make this a great course!

Warmly,

Prof. Ahmed Elsheikh

17 - 18 - 19 December 2025

**Triumph Plaza Hotel
Cairo - Egypt**

Participants Regulations & Logistics

Certification Requirements:

● Questionnaires ●

Completion of both the pre-course and post-course questionnaires is **mandatory** for the issuance of the certificate.

● Quizzes ●

Answering quizzes throughout the sessions is required to receive the certificate.

● Delivery ●

Certificates will be delivered at the end of the course on Day 3.

- **Code of Conduct:** Video recording is strictly prohibited throughout the course.
- **Parking:** Parking vouchers will be available with registration.
- **Mobile Phones:** Please keep mobile phones on silent or vibrate mode to respect the speakers and colleagues.
- **Badges:** Please wear your name badge at all times for access to sessions and the dining area.
- **Timekeeping:** We have a tight schedule. Please adhere strictly to the allotted time for breaks.
